

Team Lead Starter Pack

Team Lead Goals

- Help Learners set goals for the program and choose which online courses to complete
- Provide a sense of camaraderie in the small groups
- Provide a space to share accomplishments and share and receive motivation

Timeline

- 10 Weeks
- 1 June 2024 – 9 August 2024

Expectations

- 30 min virtual check-ins with your team every other week (roughly, adjust as needed for your schedules)
- Check in weekly with your team over slack (individually or in small group chats)
- Make sure your Learners are set up with any needed software, course, and are connected with their mentor before the program start date (1 June 2023)
- Report any concerns or blocks with a Learner or Learner's Mentor to an [organization team member](#)
- Help your team choose their courses for the summer & record them in their [Course Outline](#).
